### Online VIP Adopt A Donkey Scheme

You can help by participating in the Adopt a Donkey Scheme as a VIP adopter. For a minimum annual donation of £20 payable by standing order, you will receive a Certificate of Adoption complete with a photo of your chosen donkey. In addition, you will receive our twice yearly newsletter, keeping you up to date with all the news from the Sanctuary. You will also be able to visit your donkey during opening times throughout the summer months.

All you need to do to become one of our special VIP Adopters is to fill out the form and donate as little as £2 a month or £20 per year via the standing order form. Becoming a VIP adopter is the most cost effective way of supporting the charity as it keeps all of our administration and postage costs to an absolute minimum. Please fill in the Adoption Form AND the standing Order and return to the Sanctuary by post or in person at the Sanctuary's Information Centre.

Alternatively, you can make a one-off donation whereby you will receive the certificate and photograph but will not receive future newsletters or updates. Just print off the Adoption Form from the "Adopt A Donkey" web page, fill it in and make your one-off donation either through the post or at the Sanctuary's Information Centre.
